

PADLOCK ALARM

Introduction

Your Padlock Alarm can be used as an ordinary padlock that, when armed, will sound a powerful two tone siren when tampered with. It is movement and shock sensitive and will help protect anything you can attach it to. With a weatherproof casing, the Padlock Alarm is ideal for use on sheds, bikes, vehicles etc.

Operation: As an alarm

Unlock your padlock and remove the shackle. Insert the key and turn clockwise to release the shackle. There is a deep groove on the inside edge on one side of the shackle. Re-fit the shackle with the groove on the key port side of the lock the alarm is active. The lock will beep to indicate that the alarm is active. The padlock will be armed after 30 seconds. Turn the key anti-clockwise to lock the unit.

The first time the alarm is triggered the unit will provide a triple beep warning. This allows you to unlock it without setting off the alarm. The next trigger will cause an alarm.

To turn off the *alarm*, *unlock the padlock and remove the shackle*. The two tone 110 db siren will sound for ten seconds when triggered and will sound again if tampered with. After 35 seconds without a trigger, the padlock will reset so that a further trigger will give the triple beep warning before alarming.

Warning: Disable the alarm when using on moving vehicles and change the shackle position to set the alarm when the vehicle is stationary.

As a normal padlock

If the shackle is fitted the other way round the alarm system is inactive so that when you fit the shackle, the unit will not make a noise.

Battery replacement

To replace the batteries, remove the shackle and carefully undo the two screws at the bottom of the shackle holes. Pull the padlock apart, carefully open the battery cover and replace the batteries. Do not lose or **damage the rubber** washer on each screw.

Alarm requires 6x LR44 1.5V batteries. Ensure to insert the batteries with the correct polarity. In normal conditions batteries should last up to 6 months or over 2000 ten seconds alarms.

AVAILABLE FROM DONNA WOOLWAY, BARNSTAPLE POLICE STATION.
£12.00 EACH.
